

EMBEDDED IN YOUR BUSINESS.

Banking & Finance

The terrain of banking and finance has shifted significantly with complex permutations of services and innovative structures replacing the more traditional activities. In advising financial institutions and players, domestic and international companies, our highly-skilled team covers the full range of banking and financial services including financing

transactions, debt restructuring, equity and debt capital market transactions. We also offer a team focused on structuring and monitoring of collective investment schemes, investment funds, private equity structures, insurance companies and intermediaries.
