

EMBEDDED IN YOUR BUSINESS.

Competition & Regulatory

Navigating our clients through the constantly changing regulation laws and providing our M&A teams with the support they need demands that we focus on both the European and Domestic environments.

Our team has an extensive track-record in the full spectrum of competition law, in regulation

clearances, structuring, negotiating and implementing complex remedy packages and due diligence for competition purposes.

Our expertise also covers horizontal and vertical agreements, restrictive practices, abuse of dominant position, economic dependence, state aid and concessions.
